

Finding a certified WAHVA auditor

Main Roads Western Australia Heavy Vehicle Services is the certifying body responsible for managing and maintaining a database of certified Western Australia Heavy Vehicle Accreditation Auditors.

A search for certified auditors can be conducted on the MRWA website by following these steps.

- Begin your search by selecting '**Heavy Vehicles**'
- Select '**Accreditation and Auditing**'
- Select '**Certified Auditors and Accreditation Status>>**' – the blue box on the right hand of screen
- Next, select '**Certified WAHVA Auditor**', this should bring up a list of certified WAHVA auditors.
 - You can refine this list by completing one or more of the filters offered.

If you experience any difficulties trying to locate auditors within your area, you may like to email hvamodules@mainroads.wa.gov.au
