

This form is to be completed when applying for a PBS permit to operate a vehicle that has been certified under the WA PBS Scheme. In order to apply for a permit, you must be an accredited Operator with Main Roads WA. If you do not have an Operator Number, complete the *Restricted Access Vehicle Operator Registration* form available on our website. All towing vehicles listed on this application must be registered with Main Roads WA. To register vehicles, complete an *Application to List or Update a Vehicle* form, available on our website. All vehicles listed on this application must be certified and listed in the relevant Certification Approval.

## Operator Details

Operator	Operator Number	Contact Name
Email		Contact Number

## Approved Vehicle Design Details

Vehicle Description

Provide the WA PBS Scheme Reference Number and/or the Vehicle Design Number

**PBS Reference Number:** [MRWA](#)

**Vehicle Design Number:**

*For a vehicle that has been certified under a different design to the above, please provide the relevant MRWA Number.* [MRWA](#)

## Vehicle Details

Check the box to confirm all towing vehicles included in this application have been fitted with an approved Telematics In Vehicle Unit (IVU). *New PBS operators must also enrol under IAP or TMAPBSWA by submitting the IAP and TMAPBSWA Enrolment / Cancellation form, available on the Performance Based Standards (PBS) page on the Main Roads website.*

<b>Vehicle Registration Number</b>	<b>Vehicle Identification Number (VIN/Chassis Number)</b>	<b>Type</b>
------------------------------------	---	-------------

*For additional vehicles please attach a separate sheet with details*

## Trailer Electronic Braking System Voltage Test Declaration

Check the box to confirm the required test procedure has been completed in accordance with the *Performance Based Standards (PBS) Scheme - Road Train TEBS Voltage Test Procedure*, available on the Performance Based Standards (PBS) page on the Main Roads website, to confirm the towing vehicle is supplying adequate power to the Trailer Electronic Braking System (TEBS) to maintain a minimum of 10 volts at the rearmost trailer, with the electrical system under maximum load.

## Permit Details

<b>Permit Period</b>	12 months	36 months	Permit cost for a combination operating at statutory mass limits is \$25.00 for 12 months or \$50.00 for 36 months. Permit cost for a combination operating at concessional mass limits is \$4.00 per tonne per month (12 or 36 months) times the applicable modified mass.
----------------------	-----------	-----------	---

## Payment Details

Please indicate your preferred payment method by ticking the appropriate box.

### Credit Card

If you wish to pay by credit card you will require a MOVES account. If you do not already have a MOVES account please visit the MOVES page on our website for further information about how to register.
