

Bunbury Outer Ring Road

ABORIGINAL BUSINESS UPDATE

April 2024

Australian Government

BUILDING AUSTRALIA

This update contains information regarding the current and future works happening across the Bunbury Outer Ring Road (BORR) project. Information within this update is current as of April 2024 and is subject to change. For the most recent updates, visit the Main Roads BORR website or the Bunbury Outer Ring Road Community Facebook Group.

The Mega-Bridge

Aboriginal businesses on BORR

Welcome to the latest edition of the Aboriginal business newsletter. In this issue, we'll be sharing the most recent data on spending and committed spending with Aboriginal businesses across the project against the specified spend target. There will also be relevant information regarding work packages that will soon be released to the market and other business updates from around the project.

Recently awarded package

The following package was awarded to an Aboriginal business in recent months.

Package Description	Details	Indicative Value
Plant hire	Plant hire - wet	Small (<\$500K)

Express interest in a package tender today

Relevant and interested businesses can have tender packages issued to them through the project register.

If you would like more information regarding a specific tender package, would like to express interest in receiving future information regarding tenders, or have another enquiry, please contact our Local Content Advisor, Scott Radici, at the details below.

Aboriginal business engagement update

As of 31 March 2024, the project has committed \$51.8 million in spend to Aboriginal businesses, which is 73 per cent above the targeted spend of \$30 million. To date, the total spend within the Aboriginal industry is \$40.3 million, which is 34 per cent above the target. 43 Aboriginal businesses and suppliers have been engaged with over the project's lifetime.

Yaka Dandjoo's Last Cohort Graduates

The 13th and final cohort of graduates from the Yaka Dandjoo ready-for-work training program celebrated their completion of the program last month.

Since its inception in September 2021, the program has seen 191 participants graduate. This includes 109 Aboriginal graduates (60 per cent) 104 female graduates (54 per cent), and 83 youth graduates (43 per cent).

To read more about the final graduation ceremony and discover just how life changing the program has been for participants, [click here](#).

Graduation ceremony for Cohort 13
