Application to List or Update Vehicle or Trailer Information

To apply for a Permit you must be registered as an Operator with Main Roads WA. If you don't have an Operator Number, fill out the [Restricted Access Vehicle Operator Registration Form](#).

A separate form must be completed for each motor vehicle or trailer in your fleet.

Please complete all relevant sections, missing or incomplete fields may delay the delivery of your Permit.

You can locate the ratings information on the compliance plate of the vehicle or manufacturer's rating letter. Please note that supporting evidence demonstrating that the declared vehicle's ratings have been appropriately certified may be checked during Main Roads audits or on-road vehicle inspections.
