Accredited Containerised Freight Period Permit Application

In order to obtain the Accredited Containerised Freight Period Permit, participating vehicles must meet all the eligibility requirements and evidence provided of such to Main Roads Heavy Vehicle Services (HVS). The Accredited Containerised Freight Period Permit Supporting Evidence & Eligibility Checklist is available on our website and must be submitted with your permit application.

You must also be an accredited Operator with Main Roads WA. If you do not have an Operator Number, please complete the Restricted Access Vehicle Operator Registration form, available on our website. Please ensure the prime movers listed on this permit application have been registered with Main Roads. To register, please complete an Application to List or Update a Vehicle form for each prime mover, available on our website.

Operator Number

Operator Name

Contact Number

Contact Name

Email Address

Vehicle Details

Vehicle Registration Number

Modified Mass

Eligibility Requirements

Telematics Monitoring

Check the box to confirm that the prime mover is fitted with an IVU and HVS will be provided direct access to the monitoring system.

Onboard Mass Management (OBM)

Check the box to confirm that all vehicles are fitted with OBM and HVS will be provided direct access to the OBM system.

Service Provider

TCA approved service provider

Note: HVS collects the information provided and will confirm with the nominated Service Provider that the IVU and OBM is fitted and the necessary access to the associated telematics monitoring and OBM systems are available. HVS receives reports from the Service Provider that provides identifiable data including vehicle position, time and OBM data that reports vehicle activity against permit conditions. Authorised Officers will have access to the information you provide for compliance and enforcement purposes. Your personal details will not be disclosed to any other third party without your consent unless required to do so by law or for purposes mentioned in the Information Privacy Act 2009.

Weighbridge Details (only if the prime mover is not fitted with OBM)

Weighbridge Name

Address

Check box to confirm that the weighbridge can determine and record both the gross mass of the vehicle and individual axle group weights and a valid Certificate of Verification from the National Measurement Institute (NMI) is attached. (If this is not attached your request maybe delayed)

Payment

Permit Period

12 months OR

36 months

The available payment options are outlined in the Notification of Payment document that is emailed to the Primary Contact upon approval of the permit.

Declaration

I declare that the vehicle(s) are sufficiently rated for this permit application and all information provided in this application is true and correct. I understand that if I have failed to disclose any relevant information or if any information that I have provided is found to be false or misleading, any exemption granted as a result of this application may be deemed invalid.
