

## **MAIN ROADS WESTERN AUSTRALIA STANDARD CONDITIONS FOR THE ATTACHMENT OF SERVICES TO EXISTING STRUCTURES**

The requestor shall agree to:

- Take full responsibility for the erection and subsequent maintenance of the attachment including all associated costs;
- Indemnify Main Roads against all claims arising from the erection of the attachment and its presence on the bridge;
- Relocate the service at the Requestor's expense as may be necessary by future operations by Main Roads on the bridge.

Refer to Using Roads/Road & Traffic /Works on main roads/Utility Services in Road reserves – Policy and Guidelines Appendix 2 for a Utility Service Management Agreement example incorporating these conditions.
