

**NOTES:**

1. Minimum 5 Pilot vehicles required to facilitate contra flow movement.
2. Road Network Operations Centre shall be contacted (138 111) prior to commencing Oversize movement and at the conclusion of the contra flow movement.
3. Direct UHF radio communication is to be maintained between Pilot vehicles, Oversize vehicle(s) and Traffic Escort vehicle (if applicable) at all times.
4. Pilot vehicles shall move to the locations shown (Pilot Vehicle 1 to Location 1) and stop traffic accessing both intersections and the Great Eastern Highway Bypass eastbound lanes.
5. Oversize vehicle(s) shall not enter either intersection until notified that all traffic is stopped and the intersection and the Great Eastern Highway Bypass eastbound lanes are clear of traffic.
6. Pilot Vehicle 1 shall stop eastbound traffic at Location 1, then once the Oversize vehicle(s) have passed through the Kalamunda Road intersection shall release traffic and proceed to Location 2, then stop traffic as the Oversize vehicle approaches the Abernethy Road intersection.
7. Once the Oversize vehicle(s) clear the Abernethy Road intersection the Pilot vehicles can release traffic and continue with duties as required.
