

How to register with the Transport and Major Infrastructure Portfolio

If you are an Aboriginal business owner, registering your business is a great way to raise the profile of your business and connect you with potential buyers in government and industry.

National and State registers

The two registers used by the Transport Portfolio Aboriginal Engagement (TPAE) branch and its contractors are Supply Nation and the Aboriginal Business Directory Western Australia (ABDWA).

Supply Nation connects verified Indigenous businesses with corporate, government and not-for-profit members across Australia. Department of Transport and Major Infrastructure, Public Transport Authority and Main Roads are Supply Nation members.

Managed by the Chamber of Commerce WA and Industry Capability Network WA, ABDWA connects Aboriginal businesses in Western Australia with potential buyers.

Transport Portfolio Aboriginal Business Connect

TPAE manages Aboriginal Business Connect (ABC), a centralised database that includes Supply Nation registered businesses.

Businesses already registered with Supply Nation will automatically be included in the ABC.

If you are not registered with Supply Nation and would like to be included, please email TPAAE at AboriginalBusinessConnect@mainroads.wa.gov.au to discuss the next steps.
