Causeway Pedestrian and Cyclist Bridges

Path detour changes at Point Fraser

As construction continues for the Causeway Pedestrian and Cyclist Bridges Project, multiple changes to path detours will occur at Point Fraser. These path detours are required to enable the construction of permanent paths and landscaping. All permanent paths are due to open by the end of 2024.

Path users accessing these areas are advised to take extra care and follow signage. We thank you for your patience and apologise in advance for any inconvenience.

Switch 1 – From Wednesday 30 October to Sunday 3 November 2024
