Who should I contact?

A select number of highways and main roads are the responsibility of Main Roads Western Australia. These roads are known as State Roads. State Roads are shown on this map by the following:

State Roads
Sealed
Unsealed

All other roads displayed on this map are known as local roads. The respective Local Government is responsible for all local roads. Local Roads are shown on this map by the following:

Local Roads
Sealed
Unsealed

Many Minor Local Government Roads can be unsealed and only suitable for off-road vehicles. For further information please contact the respective Local Government.

NOTE: This map is a pictorial representation of the State Road network managed by Main Roads Western Australia. Where accuracy is a consideration, a more detailed tourist map such as the Travellers Atlas should be used. Main Roads Western Australia produces a DISTANCE BOOK, Roadside Amenities and a Rest Areas Brochure. These publications offer general tourist information and distances to localities, towns and centres in Western Australia.
