

TRAILING TERMINAL

REVISION REGISTER

Issue & Revision	Description	Date
1	Issued for use.	23/2/2004.
1 A	Minor editorial changes.	3/03/2006.

Trailing terminals should only be used on the departure end of road safety barriers.

Drawing:

Ownership: Non-proprietary.

Supplier: Not Applicable.

Test Level: Not applicable as the trailing terminal is not crashworthy.

Limitations: Not to be used within clear zone of opposing traffic unless protected by an overlapping barrier.

Drawings: For general arrangement refer to Main Roads Standard Drawing 200331-011.
