

Keeping WA Moving

* To provide world class outcomes for the customer through a *safe, reliable and sustainable* road-based transport system.

Areas of Focus

To achieve our aspiration, these four areas are about creating a focus on delivering value, which is more than just improving the status-quo.

These choices are based on the future needs of our customers and stakeholders. In identifying these areas of focus we recognise the role that our Portfolio partners have to play and our part in supporting the achievement of an integrated transport solution creating an efficient and user friendly State wide transport network.
