

Heavy Lift Tow Truck Period Permit Application

In order to obtain the *Heavy Lift Tow Truck Period Permit*, participating heavy lift tow trucks must meet all the eligibility requirements and provide evidence of such to Main Roads Heavy Vehicle Services. The *Heavy Tow Truck Period Permit Supporting Evidence & Eligibility Checklist* is available on our website and must be submitted with your permit application. You must also be an Accredited Operator with Main Roads WA.

If you do not have an Operator Number, please complete the *Restricted Access Vehicle Operator and WA Heavy Vehicle Accreditation Registration* form, available on our website. Please ensure that all vehicles listed on this permit application have been registered with Main Roads. To register vehicles, please complete an Application to List or Update a Vehicle web-form for each vehicle, available on our website.

Eligibility Requirements

Please check the box to confirm that the participating tow truck is fitted with the following and evidence has been provided;

1. The tow truck is fitted with rear facing camera.
2. The tow truck is fitted with an IVU where HVS has direct access to the telematics monitoring system.
3. The tow truck is fitted with OBM where HVS has direct access to the OBM system.

Note: The *Heavy Tow Truck Period Permit Supporting Evidence & Eligibility Checklist*, available on our website must be submitted with your permit application.

Telematics Monitoring and On-Board Mass Management Systems

Please select your certified Service Provider

By checking this box you authorise HVS to disclose any information held about me as an operator for the purpose of verifying information provided, in connection with operating under a permit, to your nominated Service Provider.

HVS collects the information you provide about the vehicle intended to operate under the Heavy Lift Tow Truck Period Permit and will confirm with the nominated Service Provider that the IVU and OBM is fitted and the necessary access to the associated telematics monitoring and OBM systems are available. HVS receives reports from the nominated Service Provider that provide identifiable information including vehicle position, time and OBM data that reports vehicle activity against permit conditions. Authorised Officers will have access to the information you provide for compliance and enforcement purposes. Your personal details will not be disclosed to any other third party without your consent unless required to do so by law or for purposes mentioned in the Information Privacy Act 2009.

Department of Transport Approval

Approval Attached

This Permit is only available to a heavy a lift tow truck that has passed a tow truck assessment conducted by the Department of Transport (Welshpool Inspection Centre). This application will not be processed unless it is accompanied by the approval issued by the Department of Transport.
