

This form must be completed prior to operating under the Class 1 RAV Restricted Area Low Loader Overmass Period Permit. This form must be carried in the vehicle, along with a bridge crossing permit if required.

**Route Details****Origin** **Destination** 

List all roads that form part of the route in the table below:

| Road Name | From Intersection | To Intersection | Local Government | Bridge Y/N |
|-----------|-------------------|-----------------|------------------|------------|
|           |                   |                 |                  |            |
|           |                   |                 |                  |            |
|           |                   |                 |                  |            |
|           |                   |                 |                  |            |
|           |                   |                 |                  |            |
|           |                   |                 |                  |            |
|           |                   |                 |                  |            |
|           |                   |                 |                  |            |
|           |                   |                 |                  |            |
|           |                   |                 |                  |            |
|           |                   |                 |                  |            |
|           |                   |                 |                  |            |
|           |                   |                 |                  |            |
|           |                   |                 |                  |            |
|           |                   |                 |                  |            |
|           |                   |                 |                  |            |
|           |                   |                 |                  |            |
|           |                   |                 |                  |            |
|           |                   |                 |                  |            |
|           |                   |                 |                  |            |

**Declaration**

I declare that I have conducted a route survey for all roads listed above and confirmed no bridges will be crossed, or I have obtained a Bridge Crossing Permit for all bridges that need to be crossed.
