

NOTES:

1. Minimum 4 Pilot vehicles required to facilitate contra flow movement.
2. Direct UHF radio communication is to be maintained between Pilot vehicles, Oversize vehicle(s) and Traffic Escort Warden (if applicable) at all times.
3. Advance warning signage (road closed) shall be implemented at the intersection of Government Road and Coalfields Highway prior to Oversize vehicle(s) approaching the intersection of Raymond Road and South Western Highway.
4. Pilot vehicles 1, 2, 3 & 4 shall move to the locations shown and stop all traffic prior to the Oversize vehicle(s) reaching the intersection of Raymond Road and South Western Highway.
5. Oversize vehicle(s) shall not begin the contra flow manoeuvre until notified that all traffic is stopped and the route is clear of traffic.
6. Once the Oversize vehicle(s) clear the contra flow route and return to the normal lane of travel, the Pilot vehicles can release traffic and continue with duties as required.
