

Karel Avenue Upgrades

UPGRADES TO THE ROE HIGHWAY / KAREL AVENUE INTERCHANGE INCLUDING WIDENING OF THE EXISTING KAREL AVENUE BRIDGE

ISSUES

- Karel Avenue is experiencing significant congestion, particularly during peak periods.
- This problem is likely to worsen due to residential developments in surrounding areas, development of the Jandakot Airport precinct and the use of this road as a north-south access route.

BENEFITS

Provide additional capacity to cater for current and future traffic volumes

Improve access to Kwinana Freeway and Roe Highway

Support development of Jandakot Airport precinct, which will become home to 300 businesses and 8,000 jobs

ESTIMATED COST
\$15 million

JOBS CREATED *
100

Construction expected to begin in early 2018

Australian Government

BUILDING OUR FUTURE

* Job creation numbers are the estimated direct and indirect jobs created as a result of the infrastructure component of the project.

Maps are indicative and subject to change following project development.
