

Revitalising the Maylands Town Centre: Have Your Say

Artist's impression of a future Lyric Lane

You are invited to have your say on plans to revitalise the Maylands town centre, improving amenity, connectivity and safety for everyone.

Since the closure of the Caledonian Avenue level crossing in April 2022, Main Roads has been working closely with the community and stakeholders to develop a masterplan for road, path and streetscape upgrades that has the potential to enhance the Maylands town centre and encourage further growth and development.

What has been achieved so far?

- Installed new protected bike lanes on Railway Parade, making it safer for cyclists to travel between Meltham and Maylands station. These were completed in late 2022.

- Installed a temporary safety treatment at the intersection of Guildford Road and Seventh Avenue, banning through and right-turn movements from Seventh Avenue. This was completed in May 2023.
- Advertised a construction contract to install new traffic signals on the Hotham Bridge, at the intersection of Railway Parade and Whatley Crescent. Due for completion in mid-2024, this will enable direct access to Maylands town centre via a new dedicated right-turn lane.

What is being proposed as part of the future masterplan?

- New traffic signals at Guildford Road and Seventh Avenue to improve safety and connectivity for road users and pedestrians (funded for construction in 2025-26).
- Upgraded traffic signals at Guildford Road and Eighth Avenue to improve pedestrian crossings (funded for construction in 2025-26).
- Traffic calming on Whatley Crescent (funding available for some elements) and streetscape upgrades (subject to future funding).
- Traffic calming and streetscape upgrades on Seventh and Eighth avenues (subject to future funding).
- Potential bus station to provide better connectivity to the town and train station (subject to future planning and funding).

How to view the plans and provide comment

- Visit www.mysaytransport.wa.gov.au/revitalising-the-maylands-town-centre, or scan the QR code to open MySay Transport, to view draft plans and provide feedback. **The online survey will be open for six weeks from 30 October to 11 December 2023.**
- Visit Main Roads' stand at the Maylands Street Festival on Saturday 11 November 2023.
