

Thomas Road Safety Improvements Kargotich Road and Nicholson Road Roundabouts

Intersection Closure Updates at Kargotich Road and Nicholson Road

A series of safety improvements are underway to enhance safety and road user experience on Thomas Road between Nicholson Road and Tonkin Highway in Oakford.

November 2023 to July 2024

Works are continuing to construct two new roundabouts on Thomas Road, at the intersections of Kargotich Road and Nicholson Road in Oakford. To safely accommodate the differences between existing and future road levels, and to enable construction to be completed in the shortest possible time we will:

- Open Kargotich Road south of Thomas Road under traffic management on **20 November 2023**
- Close Kargotich Road north of Thomas Road on **20 November 2023 until 30 June 2024**, and
- Close Nicholson Road south of Thomas Road – **February 2024**.

Detour signage will be updated to direct road users through the works (**see detour map overleaf**). Please plan ahead and avoid the area if possible; delays should be expected due to the length and limited number of detour routes.

The closures will affect:

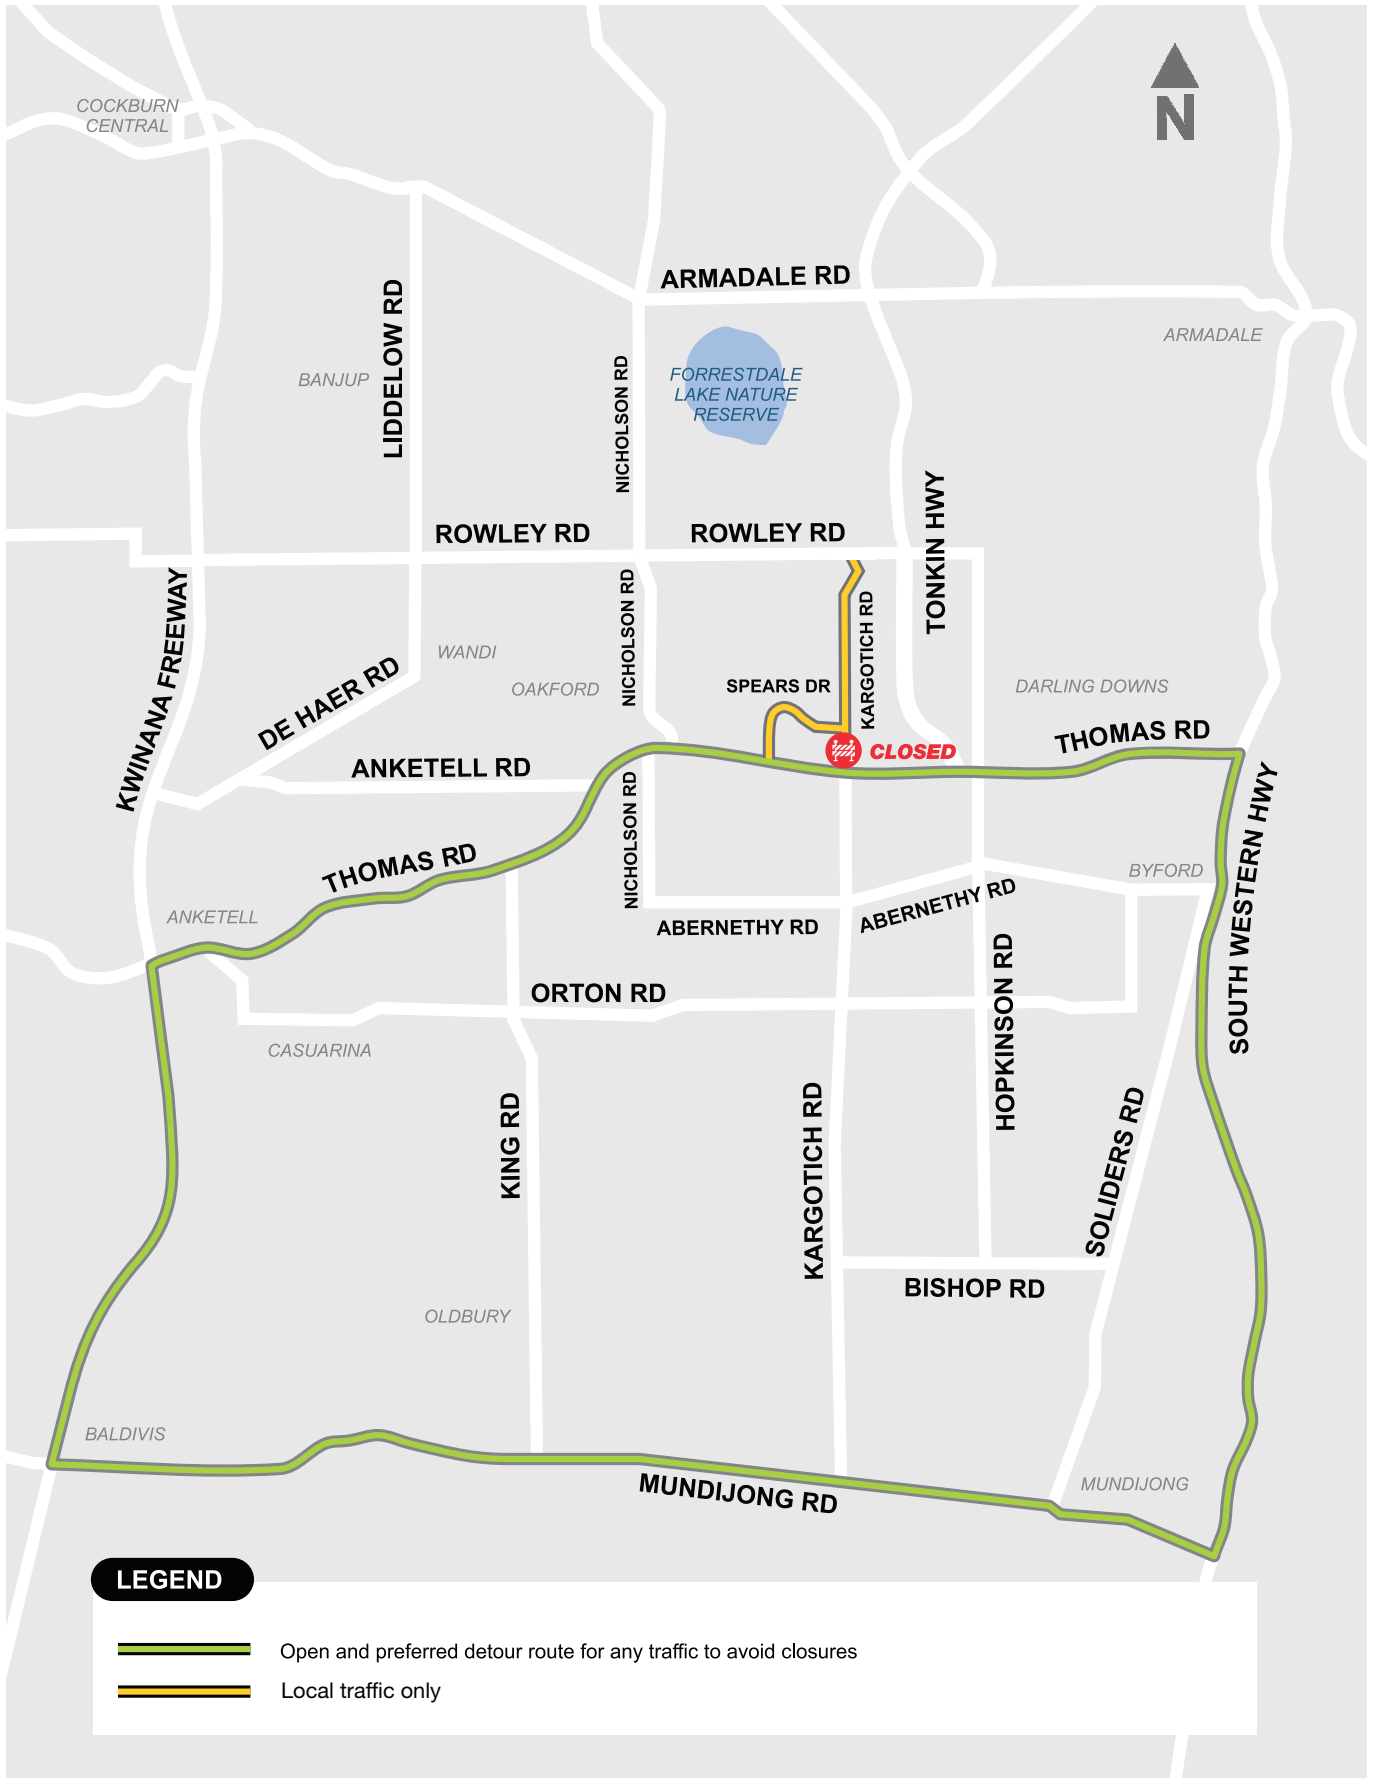

- **All access to and from Kargotich Road intersection north of Thomas Road.**
 - Detours will be in place.
 - Access to and from residences located between Thomas Road and Rowley Road that usually use **Kargotich Road north of Thomas Road** will be via Spears Drive / Kargotich Road and Rowley Road.
- Thomas Road through the work area will remain open at all times, however side roads realignments and traffic management are in operation.
- At times 'Stop and Go' on Thomas Road, Kargotich Road and Nicholson Road will be required to facilitate the works.

To help us keep everyone informed, please share this information with your neighbours and on your local social media channels. Work will continue on the roundabouts until August 2024.
