

Thomas Road Improvements

Kargotich Road and Nicholson Road Roundabouts

Intersection Closures Thomas Road at Kargotich Road South

We are continuing a series of upgrades along Thomas Road between Kwinana Freeway and South Western Highway, to improve safety and traffic flow for commuters in the area. This includes the construction of two new dual-lane roundabouts on Thomas Road, at the intersection of Kargotich Road and Nicholson Road in Oakford.

From 18 July until December 2023

To safely accommodate the difference between existing and future road levels, and to enable construction to be completed in the shortest possible time, the Thomas Road / Kargotich Road intersection south will be closed from Wednesday 19 July though to December 2023.

Detours will be in place directing road users around the intersection closure (see detour map overleaf). Please plan ahead and avoid the area if possible; delays should be expected due to the length and limited number of detour routes.

The closures will affect:

- **All access to and from Kargotich Road at the Thomas Road intersection to the south.**

Detours will be in place.

Access north of Abernethy Road will be available for residents only.

- Access to residences and businesses will be retained at all times via the detour routes overleaf only.
- Thomas Road through the work area will remain open at all times, however side roads and traffic management will be in place.

Rescheduled Western Power Works on Kargotich Road at Thomas Road – Saturday 15 July

To relocate existing power poles Western Power will close Kargotich Road north and south of the Thomas Road intersection in Oakford will be closed **from 6am to 6pm on Saturday 15 July** to complete works rescheduled from 18 June.

Detours During Western Power Works

- **North of Thomas Road** – access to and from Kargotich Road will be closed. All road users wishing to access residences who would usually use Kargotich Road north will be detoured via Spears Drive.

- **South of Thomas Road** – access to and from Kargotich Road will be closed. Road users will need to use Hopkinson Road and Abernethy Road to return to Kargotich Road south of Thomas Road.

Residents' power will also be affected. Western Power will advise affected properties directly.

Other works

Please note, that work on Kargotich Road, between Rowley Road and Thomas Road is being undertaken by the Shire of Serpentine Jarrahdale, while every effort is being made to minimise interface, safety and detour requirements, there will be some impact overlap for residents.

- Access for local traffic will be available between Rowley Road and Thomas Road, and
- Access to Thomas Road will be provided for local traffic via Spears Drive.

To help keep everyone informed, please share this information with your neighbours and on your local social media channels.
