BORR Jobs

Job Seeker Guide

Concept design for Paris/Clifton interchange | for indicative purposes only

The Bunbury Outer Ring Road (BORR) is a 27-kilometre proposed free-flowing highway linking Forrest Highway to Bussell Highway. When completed it will provide an alternative transport route around Bunbury.

The South West Gateway Alliance (SWGA) has been awarded the contract with Main Roads WA to lead the delivery of the project.

We are currently deploying **BORR Jobs**, a project-based talent community site.

BORR Jobs will be used for advertising jobs with the South West Gateway Alliance and our contractors, giving you the full visibility over opportunities to get involved in the project.

We are fully committed to working with the community to develop sustainable businesses, meaningful employment and lasting benefits for Bunbury.

Join the talent community today!

As a jobseeker, creating a BORR Jobs account will allow you to:

- Search for a job from advertised industry vacancies.
- Apply for a position online and manage your applications.
- Set a job alert.
- Access practical information about searching for work, applying for a job, preparing for and attending an interview.
- Source information on the types of jobs available, required training and how to access it, along with information about career paths that may be opened up.
- Create your own resume using AirCV that you can use to apply for jobs from your mobile device.
- Share your job interests and opportunities with your friends through social media.
- Jobseeker membership is free.

BORR Jobs is an initiative of the South West Gateway Alliance.

Terminology	Definition
Air CV	Is an automated online resume builder specific to the site. You can use your Air CV to apply for jobs on the site. Employers and recruiters can learn more about you via your Career Timeline and Career Profile.
Talent community	A Talent Community is a shared technical platform to link jobs and local talent for the Bunbury Outer Ring Road project.
