

11 INFORMATION SOURCES

The reliability and uncertainties in the technical studies undertaken in preparation of the Proposal have been outlined in Table 11-1.

Table 11-1 Reliability and uncertainties in technical studies used in preparing the referral

REFERENCE SOURCE	RELIABILITY	UNCERTAINTIES
Brad Goode & Associates (2018) Report of an Aboriginal Heritage Survey of the Bunbury Outer Ring Road (BORR) North Project: Brunswick to North Boyanup, Western Australia. Unpublished report for Main Roads Western Australia.	Information is reliable	There are no uncertainties
Biota (2020) Bunbury Outer Ring Road Northern and Central Section Targeted Fauna Assessment. Unpublished report for Main Roads Western Australia.	Information is reliable	The 20.7 ha of the Proposal Area that was unsurveyed in the original referral was surveyed in spring of 2019. This information gap has now been filled and no uncertainties in relation to the Proposal Area remain.
Biota (2019b) Western Ringtail Possum: Southern Swan Coastal Plain - Regional Context. Draft report for Main Roads Western Australia.	Information is reliable	There are no uncertainties
BORR IPT (2018) Drainage Strategy – Northern and Central Sections. Unpublished report for Main Roads Western Australia.	Information is reliable	There are no uncertainties
BORR IPT (2020) Bunbury Outer Ring Road Northern and Central Sections Vegetation and Flora Study. Unpublished report for Main Roads Western Australia.	Information is reliable	The 20.7 ha of the Proposal Area that was unsurveyed in the original referral was surveyed in spring of 2019. This information gap has now been filled and no uncertainties in relation to the Proposal Area remain.
BORR IPT (2019b) Bunbury Outer Ring Road Northern and Central Sections Preliminary Acid Sulfate Soil Investigation Report. Unpublished report for Main Roads Western Australia.	Information is reliable	There are no uncertainties
Ecoedge (2018) A Flora and Vegetation Survey on Lot 104 Willinge Drive, Davenport. Unpublished report prepared for Main Roads Western Australia.	Information is reliable	There are no uncertainties
GHD (2012) Bunbury Outer Ring Road Northern Section – Perth Bunbury Highway to Boyanup	Information is reliable	There are no uncertainties

REFERENCE SOURCE	RELIABILITY	UNCERTAINTIES
Picton Road Constraints Assessment for Alignment Selection. Unpublished report for Main Roads Western Australia.		
GHD (2016) Bunbury Outer Ring Road Northern Extension – Environmental Impact Assessment. Unpublished report for Main Roads Western Australia.	Information is reliable	There are no uncertainties
GHD (2018a) Bunbury Outer Ring Road Northern Section – Eastern Alignment Environmental Constraints Assessment. Unpublished report for Main Roads Western Australia.	Information is reliable	There are no uncertainties
GHD (2018b) Bunbury Outer Ring Road Northern Section – Western Alignment Environmental Constraints Assessment. Unpublished report for Main Roads Western Australia.	Information is reliable	There are no uncertainties
Great Southern Bio Logic (2018) <i>Phytophthora Dieback Occurrence Survey Bunbury Outer Ring Road North</i>. Unpublished report prepared for Main Roads Western Australia.	Information is reliable	There are no uncertainties
Main Roads WA (2018) <i>Bunbury Outer Ring Road Northern Section, Alignment Selection Report</i>. Perth: Main Roads WA. Retrieved October 2018, from https://project.mainroads.wa.gov.au/home/regional/south/Pages/bunbury.aspx	Information is reliable	There are no uncertainties
WRM (2020) Bunbury Outer Ring Road Northern and Central Investigation Area: Targeted Conservation Significant Aquatic Fauna Survey. Unpublished report prepared for Main Roads Western Australia.	Information is reliable	There are no uncertainties
