

This project update contains information regarding the Bunbury Outer Ring Road (BORR) project. Information within this update is current as of December 2023 and is subject to change. For the most recent updates available, visit the Main Roads BORR website or the Bunbury Outer Ring Road Community Facebook Group.

Thank you from the BORR team

With the end-of-year holidays around the corner, we wanted to take the opportunity to thank you for your patience and support throughout 2023. It's been a year filled with road building, beam lifts, native seedling plantings, new cohorts of Yaka Dandjoo graduates and a whole lot of patience asked of our neighbouring landowners and residents.

We'll be back in the New Year with information about upcoming business packages and construction activities.

Holiday shutdown period

Our project sites will shut down from Friday 22 December 2023 and reopen on Tuesday 2 January 2024. The Community Hub will also be closed during this period and for a little longer, reopening on Tuesday 9 January 2024.

For urgent enquiries during the shutdown, the team is contactable on 138 138 or by email at enquiries@mainroads.wa.gov.au.

How to plan your holiday road trip

To ensure your time on the roads is as stress-free as possible this holiday period, please remember that some traffic management and road closures are in place.

We appreciate the impact this has on local and holidaying road users and acknowledge that potential delays may be frustrating.

Stay safe and plan ahead to avoid the stress!

If you are travelling through Bunbury either towards Perth or Busselton, you will notice that we have placed roadside digital message boards before the points where you can choose to either stay on Bussell Highway or take the alternative route through Boyanup on South West Highway. These boards will indicate expected travel times on Bussell Highway and the alternative route travel times using South West highway to help your decision making.

On behalf of Main Roads WA and South West Gateway Alliance team, we would like to wish you a safe and relaxing holiday season.

Are you a business interested in upcoming package tender?

Package tenders are issued through the BORR project register to relevant and interested businesses. If your business isn't registered with us and you would like to express your interest in specific business tender information, please contact Scott Radici, Local Content Advisor at the South West Gateway Alliance (SWGA), by phone on 1800 979 770 or email Scott.Radici@swgateway.com.au.
